Go Bulldogs! To friends like the Silhas – there hasn't been a time we remember when you weren't a part of our lives. To her church family at Bowman Lutheran – your prayers were appreciated. To the 8 a.m. cardiac rehab group, thanks for keeping her laughing.

To everyone else who sent a card, brought food or just stopped to tell us a great story about our mom, we say thanks. We were privileged to be her children and knew she loved us and was proud of us. She taught us many of the virtues she gave to the community and we hope to live in her spirit of compassion and giving assistance to those who need it.

We grew up in a great community of caring people and although we no longer live here, it will always and forever be "home" to us.
